CROSS COUNTRY PRIVACY POLICY

When you submit any personal information, the information that we receive from you is only used for the purpose in which it was intended.

We have procedures in place to limit who has access to your personal information and secure servers to safeguard your information.

We protect your personal information in accordance with the law even after you cease to be our client.

We may make use of our client list for marketing or communication purposes to ensure you are kept up to date with new and innovative products that Cross Country have developed.

This Privacy Policy may at any time be changed without prior notice of such change.

eVAULT PRIVACY POLICY

Cross Country realizes that in this age of ever changing technology, clients have concerns about the privacy of the information and documentation they will be storing on the E-Vault. It is important to us that our clients are confident that their personal information and documentation will be treated in a responsible and reliable manner with the necessary degree of privacy.

Cross Country have procedures in place to ensure only you (our client) have access to your personal information and documentation stored in the E-Vault and we have secure servers to safeguard your information and documentation.

We protect your information and documentation in accordance with the law even after you cease to be our client.

Directors: N.V Beyers, I.L Georgeson (CEO), J.A.M Georgeson, C.T McAllister
